Number 19

Wednesday, February 15, 2012

The House was called to order by the Speaker at 12:30 p.m.

## Prayer

The following prayer was offered by the Reverend Robert Goyette of Living Waters World Outreach of Fernandina Beach, upon invitation of Rep. Adkins:

Most gracious and holy God, we approach You today mindful of our need for You. As Creator and Sustainer of Every Living Thing, we look to You for wisdom in order to better serve You and the people of this great state of Florida. We acknowledge that our particular view of things is limited and that without Your help we are destined to err in our judgment. Therefore, today, we invoke Your presence in this place. May every word spoken and item discussed be done in such a way that honors You and one another.

Now, Lord, we commit ourselves into Your care and into the service of the people that we represent here. It is in Your matchless name that we pray. Amen.

#### FINANCE AND TAXATION

#### SECTION 6. Homestead exemptions.—

(a) Every person who has the legal or equitable title to real estate and maintains thereon the permanent residence of the owner, or another legally or naturally dependent upon the owner, shall be exempt from taxation thereon, except assessments for special benefits, up to the assessed valuation of twenty-five thousand dollars and, for all levies other than school district levies, on the assessed valuation greater than fifty thousand dollars and up to seventy-five thousand dollars, upon establishment of right thereto in the manner prescribed by law. The real estate may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight years. The exemption shall not apply with respect to any assessment roll until such roll is first determined to be in compliance with the provisions of section 4 by a state agency designated by general law. This exemption is repealed on the effective date of any amendment to this Article which provides for the assessment of homestead property at less than just value.

(b) Not more than one exemption shall be allowed any individual or family unit or with respect to any residential unit. No exemption shall exceed the value of the real estate assessable to the owner or, in case of ownership through stock or membership in a corporation, the value of the proportion which the interest in the corporation bears to the assessed value of the property.

(c) By general law and subject to conditions specified therein, the Legislature may provide to renters, who are permanent residents, ad valorem tax relief on all ad valorem tax levies. Such ad valorem tax relief shall be in the form and amount established by general law.

(d) The legislature may, by general law, allow counties or municipalities, for the purpose of their respective tax levies and subject to the provisions of

general law, to grant an additional homestead tax exemption not exceeding fifty thousand dollars to any person who has the legal or equitable title to real estate and maintains thereon the permanent residence of the owner and who has attained age sixty-five and whose household income, as defined by general law, does not exceed twenty thousand dollars. The general law must allow counties and municipalities to grant this additional exemption, within the limits prescribed in this subsection, by ordinance adopted in the manner prescribed by general law, and must provide for the periodic adjustment of the income limitation prescribed in this subsection for changes in the cost of living.

(e) Each veteran who is age 65 or older who is partially or totally permanently disabled shall receive a discount from the amount of the ad valorem tax otherwise owed on homestead property the veteran owns and resides in if the disability was combat related, the veteran was a resident of this state at the time of entering the military service of the United States, and the veteran was honorably discharged upon separation from military service. The discount shall be in a percentage equal to the percentage of the veteran's permanent, service-connected disability as determined by the United States Department of Veterans Affairs. To qualify for the discount granted by this subsection, an applicant must submit to the county property appraiser, by March 1, proof of residency at the time of entering military service, an official letter from the United States Department of Veterans Affairs stating the percentage of the veteran's service-connected disability and such evidence that reasonably identifies the disability as combat related, and a copy of the veteran's honorable discharge. If the property appraiser denies the request for a discount, the appraiser must notify the applicant in writing of the reasons for the denial, and the veteran may reapply. The Legislature may, by general law, waive the annual application requirement in subsequent years. This subsection shall take effect December 7, 2006, is self-executing, and does not require implementing legislation.

(f) By general law and subject to conditions and limitations specified therein, the Legislature may provide ad valorem tax relief equal to the total amount or a portion of the ad valorem tax otherwise owed on homestead property to the:

(1) Surviving spouse of a veteran who died from service-connected causes while on active duty as a member of the United States Armed Forces.

(2) Surviving spouse of a first responder who died in the line of duty.

(3) As used in this subsection and as further defined by general law, the term:

a. "First responder" means a law enforcement officer, a correctional officer, a firefighter, an emergency medical technician, or a paramedic.

b. "In the line of duty" means arising out of and in the actual performance of duty required by employment as a first responder.

(II) A prekindergarten handicapped student shall meet the requirements specified for kindergarten students.

(V) A Florida Virtual School full-time equivalent student shall consist of six full credit completions or the prescribed level of content that counts toward promotion to the next grade in the programs listed in s. 1011.62(1)(c)1.a. and b. for kindergarten through grade 8 and the programs listed in s. 1011.62(1)(c) 1.c. for grades 9 through 12. Between lines 25 and 26, insert:

Section 1. Paragraph (b) of subsection (3) of section 120.54, Florida Statutes, is amended to read:

120.54 Rulemaking.—

(3) ADOPTION PROCEDURES.—

(b) Special matters to be considered in rule adoption.—

1. Statement of estimated regulatory costs.—Before the adoption, amendment, or repeal of any rule other than an emergency rule, an agency is encouraged to prepare a statement of estimated regulatory costs of the proposed rule, as provided by s. 120.541. However, an agency must prepare a statement of estimated regulatory costs of the proposed rule, as provided by s. 120.541, if:

a. The proposed rule will have an adverse impact on small business; or

b. The proposed rule is likely to directly or indirectly increase regulatory costs in excess of \$200,000 in the aggregate in this state within 1 year after the implementation of the rule.

2. Small businesses, small counties, and small cities.—

a. Each agency, before the adoption, amendment, or repeal of a rule, shall consider the impact of the rule on small businesses as defined by s. 288.703 and the impact of the rule on small counties or small cities as defined by s. 120.52. Whenever practicable, an agency shall tier its rules to reduce disproportionate impacts on small businesses, small counties, or small cities to avoid regulating small businesses, small counties, or small cities that do not contribute significantly to the problem the rule is designed to address. An agency may define "small business" to include businesses employing more than 200 persons, may define "small county" to include those with populations of more than 75,000, and may define "small city" to include those with populations of more than 10,000, if it finds that such a definition is necessary to adapt a rule to the needs and problems of small businesses, small counties, or small cities. The agency shall consider each of the following methods for reducing the impact of the proposed rule on small businesses, small counties, and small cities, or any combination of these entities:

(I) Establishing less stringent compliance or reporting requirements in the rule.

(II) Establishing less stringent schedules or deadlines in the rule for compliance or reporting requirements.

(III) Consolidating or simplifying the rule's compliance or reporting requirements.

(IV) Establishing performance standards or best management practices to replace design or operational standards in the rule.

(V) Exempting small businesses, small counties, or small cities from any or all requirements of the rule.

b.(I) If the agency determines that the proposed action will affect small businesses as defined by the agency as provided in sub-subparagraph a., the agency shall send written notice of the rule to the Small Business Regulatory Advisory Council and the rules ombudsman in the Executive Office of the Governor ~~Department of Economic Opportunity~~ at least 28 days before the intended action.

(II) Each agency shall adopt those regulatory alternatives offered by the Small Business Regulatory Advisory Council and provided to the agency no later than 21 days after the council's receipt of the written notice of the rule which it finds are feasible and consistent with the stated objectives of the proposed rule and which would reduce the impact on small businesses. When regulatory alternatives are offered by the Small Business Regulatory Advisory Council, the 90-day period for filing the rule in subparagraph (e)2. is extended for a period of 21 days.
